Christmas Gathering at Vintage

We had a great time at our Christmas party in the Vintage Acres Community Center this year. Many enjoyed hot chocolate, cookies, roasted hot dogs and marshmallows over the fire outside and Santa Claus came to visit. The room was all decked out with Christmas spirit. Good fellowship was enjoyed by all. The

children had a chance to sit on Santa's lap and tell him their Christmas gift wishes. Each received a small gift and joined Santa in singing Christmas carols before he had to return to the North Pole. Many thanks to all who volunteered and helped to make our celebration successful.

Happy Holidays to all at Vintage Acres!

Weekly Coffee Social...

The Vintage Acres Coffee Social will start playing games of BUNCO at the Wednesday morning gatherings. All who may be interested are welcome to come join the fun. Bunco is an European Parlor game of chance that involves rolling dice. No experience necessary. Come join in the fun at our coffee social gathering.

Ask Eric W...

The Vintage Repair Guy!

Q: *Is it important to have a carbon monoxide detector in my house?*

A: Carbon Monoxide is a poisonous gas that kills about 500 people in the US each year. Called the "silent killer" because you can't hear, taste, see or smell the gases. Often the gas is emitted from a malfunctioning gas appliance such as a furnace, stove, oven or water heater. When these appliances are not adequately ventilated, they might emit CO gases in the house which can cause illness or death. Other sources of CO include blocked cooking appliances, blocked chimney flue and vehicle exhaust. When your CO detector goes off, get out of the home and call 911. Make sure your carbon monoxide detectors are working properly in your home this Holiday Season.

Don't Forget your Sidewalk

Snow has arrived in Duluth. We work hard to clear a snowfall on our Vintage Acres streets. We require our home owners to remove snow from their off -street parking pad, home sidewalk, and street sidewalk in front of their home. Together, we can keep our Vintage community safe for driving and walking. Thanks for your cooperation this winter.
